

GET INVOLVED AND JOIN THE TEAM!

THE TEAM RED, WHITE & BLUE FINAL PCS PROGRAM

Our programs are designed to provide a continued (or renewed) sense of camaraderie, identity, and purpose.

- Camaraderie – Strong bonds formed while serving
- Identity – Belonging to something greater than yourself
- Purpose – Working on important missions

A March 2013 government report found that 44% of veterans found it “very challenging to integrate back into civilian life.” It will be challenging, but Team Red, White & Blue can help!

- Become of Veteran Ambassador – Represent Team RWB and connect with other members at thousands of events across the country.
- Join a local Chapter or Community – Take part in a variety of consistent physical and social activities in your local community (running, yoga, CrossFit, hiking, ballgames, bowling, volunteering, etc...)
- Continue to lead and serve your community and fellow veterans through Team RWB.

How to get started

1. It takes 30 seconds to officially join the team and “Wear the Eagle” at: <http://teamrwb.org/get-involved/join-the-team> (Head to the “Join the Team” page in the “Get Involved” section.)
2. Under the comments section, please put “My final PCS date is ____.”
3. We send you a 2-minute survey and welcome e-mail that provides the information you need to stay connected and active in your local community when you exit the military.

It’s our turn

BECOME 1 OF THE 300 SERVICE MEMBERS OR VETERANS JOINING TEAM RWB EVERY WEEK.

Your fellow veterans and your community need you: Continue to stay active and lead when you take off the uniform! Questions?
