THE BOUNDARY WATERS
Aug 12-17

The Boundary Waters of northern Minnesota are a true treasure. Straddling the border with Canada, this labyrinth of connected streams and lakes provide an opportunity for true adventure and solitude.

This Eagle Expedition occurs during the peak of the perseid meteor shower which is known to be the greatest light show in the northern hemisphere. Stargazing aside, navigating the Boundary Waters is a true functional fitness challenge.

Participants will tackle the strenuous feat of carrying gear and taking on long portages combined with several miles on the water, ending with well earned meals around the campfire.
